

The

Helmsman

Speaker and Lasagna Night

A successful Speaker's Night was hosted by our Squadron. at CFB Trenton Yacht Club on Saturday the 16th of February. The evening began with a delicious meal organized by our entertainment officer Elaine Handy. She and her committee decorated the room and tables to compliment our evening.

Thanks to Wayne and Nancy who cooked the lasagna for us and kept them piping hot with their own chafing dishes. Everyone immensely enjoyed their savoury meals. The efforts of all who helped with set-up and clean-up made the night a complete success. Many thanks to all!

After the meal we enjoyed an interesting and informative presentation about the Trent Severn Waterway given by Sean Smith of Parks Canada. This generated much discussion and raised many questions about the future of the waterway. Sean distributed some informative materials and pamphlets to everyone after his presentation regarding the Trent Severn Waterway.

This festive evening also gave us the opportunity to pay tribute to one of our own, Ron Pennington. Over the years Ron has served in most positions on our bridge and some of them at least twice. He has been the driving force that has helped our Squadron succeed. A devoted and dedicated person, and an accomplished ninety years young boater, Ron's contribution and voluntary time investment are unsurpassed. He has been instrumental in making changes and improvements to RCAF Trenton. Ron has officially relinquished his title of Squadron Historian but has graciously

agreed to be our Senior Advisor. In acknowledgement of his years of service to RCAF Trenton, Ron was presented with a CPS vest which had been embroidered painstakingly with great precision by Linda Cowburn. The embroidery reads "Ron Pennington Retired RCAF Historian". Thank you Linda for a job well done!

District Commander Dale Holland presented Ron with his 34th merit mark. Then CPS National Administration Officer Catherine McLeod presented Ron with a Chief Commanders Citation from Richard Bee, as seen in this photo. We all wish Ron the very best in his retirement. To see more photos from Speakers night and our tribute to Ron, click on [**RCAF Trenton CPS**](#)

Catherine McLeod presents Ron Pennington with his Chief Commanders Citation (see page 2)

Chief Commander's

LETTER OF COMMENDATION

As an organization dedicated to safety and training in recreational boating,
CPS greatly depends on the participation of its volunteers
to bring success to the organization.

This Letter of Commendation is awarded to

Ron Pennington AP

in recognition of his distinguished service and unselfish support of Canadian Power & Sail
Squadrons.

I have been informed that you have recently retired from the Bridge of RCAF Trenton Squadron, at the age of 90, after having served as a member and an officer for 35 years. I would like at this time to congratulate you on your splendid service record, and also thank you and your family so very much for all your hard work on behalf of CPS. You and your family have been involved in a variety of squadron activities from the day you joined. Together, you and your beloved wife Lorna conceived the ideas for, organized and implemented events that the squadron continues to enjoy today. The "Grad Cup" exercise is one, in which recent graduates of the Boating course, practice their newly acquired skills with an on-water navigation exercise.

During your CPS career you earned 34 merit marks, and served on most bridge positions at least once and sometimes more than once. You instructed the Boating, Boat Pro and Marine Radio course, cheerfully spending time to pass your boating knowledge and experience on to others. I understand too that you were heavily involved in your squadron's 50th anniversary celebrations in 2011.

Thank you again, Ron for your many years of dedication and valuable work advancing the aims of CPS.

January 16, 2013

Chief Commander
Richard Bee, AP

Report of the Nominating Committee

Happy Anniversary CPS is 75 Years Old

The organization had its start in 1938 when three members of the Windsor Yacht Club crossed the Ambassador Bridge into Detroit, Michigan. Under the direction of the Detroit Power Squadron, Fred Dane, George Ruel, and G. William Bowman passed the USPS Junior Piloting Course. They soon formed the first squadron in Canada, Windsor Power Squadron, with G. William Bowman as its first Commander. He later became the first Chief Commander of Canadian Power Squadrons, the organization that, later, became known as Canadian Power and Sail Squadrons CPS.

In 1950, the membership doubled. In 2013, as we begin our anniversary year, CPS has 26,000 members in 155 squadrons across Canada..

District Commanders Comments

As spring approaches and our thought begin to drift towards getting our boats in the water. It also time to have a Recreational Vessel Courtesy Check. CPS in partnership with transport Canada has trained volunteers, who will for no charge, go to your vessel, and vessels safety equipment. This service is not restricted to CPS membership, so let your boating friends know about this service. Please contact your Squadron commander, to arrange your free Check.

Ajax Squadron is hosting the Quinte District AGM which is scheduled for May 25th at Harpo's Restaurant Oshawa. The event starts at 1430, with registration, until 1500. Chief Commander Richard Bee has confirmed his attendance. The update from the Organizational Effectiveness committee will be provided by Law Officer Charles Beall.

Ajax Squadron has also arranged for guest speaker, speaking on "Sailing to Halifax". Harpo's is located across the street from the Oshawa Centre, for those that do not want to attend the AGM, but would like attend the social part.

The final details for the October CPS

National conference celebrating CPS 's 75th anniversary, which is being held at the (Delta) Chelsea in downtown Toronto, are being put into place. The cut-off date for early registration has been set at July 2nd this cut-off date is earlier than previous conferences. The room which has been reserved to host the Friday evening dinners is capable of holding 400 with no dance floor. The Friday evening theme is Hollywood North, so be prepared to enter on the red carpet.

Quinte District Squadrons have been requested to assist in finding either conference sponsorships, or door prizes, so if you know of a business that might be interested in helping CPS celebrate its 75th Anniversary please contact your squadron commander.

Dale Holland AP

Quinte District Commander

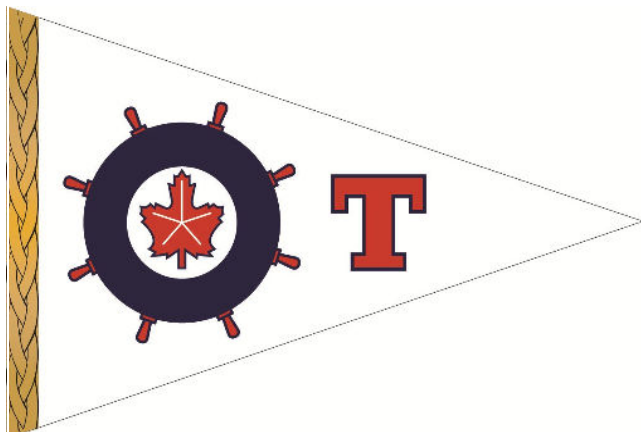

Training News

During June 2012, we provided a Navigating with GPS Course to 12 students and 1 student wrote the RADAR for Pleasure Craft exam, having self studied the material. The Basic Boating Course/PCOC was provided to 8 students, in September/October 2012.

During October 2012 we provided the Maritime Radio Course to 3 students. The new Boating Essentials course was held from October 2012 through to February 2013 for 6 students. This is the first time for this new course. We will be providing the Maritime Radio Course to 10 students in March. The Seamanship Course provided to 4 students began in October 2012 and completed in February 2013. Weather fundamentals course for spring 2013 has been cancelled due to lack of interest as has the Electronic Navigation course due to course materials not being totally ready for our use.

This amounts to some 36 students involved in our training program during the 2012/2013 training season.

Our New Pennant

When a Squadron or District approaches its 50th anniversary, a bold vertical gold bar, one-inch in width, may be added at, or near, the hoist of an existing pennant to signify this milestone. In order to avoid making a change to the existing design of the pennant, if there is not room to place the gold bar on the pennant, the gold bar and a boltrope can replace the salvage edge and grommets.....

Ken and Ron introduced our new pennant at our speaker's night. Ron designed the original pennant and was instrumental in helping with the new pennant. If you are interested in purchasing your new flag, contact Sandra Carter in Belleville or Ken in Trenton.

Ken presents Sean Smith who is the External Relations Officer for the Ontario Waterways of Parks Canada a gift with our thanks from the Squadron, for his presentation on the Trent Severn Waterway.

Mayor John Williams and Sandra Carter chat with John Fear as he completes a Pleasure Craft Courtesy Check.
