### ***Notice on Family Memberships***

It has been identified by our National CPS Office that issues have arisen when renewing Family Memberships. The online Renewal system is expecting the renewal to be paid by the family member currently identified as the **Family Head** (future change to be called Family Administrator). If a family member other than the Family Head pays the renewal, the Moneris Credit/Debit system will put the payment On Hold as the information for Moneris is different than expected by the system.

If you are designated as the **Family Head**, there is no issue. If you do not know if you are designated as the Family Head or wish to change that designation to another member of the Family Group, please contact Glen Carruthers at 905-929-8127 or send an email to [g.carruthers@rogers.com](mailto:g.carruthers@rogers.com). We apologize for any inconvenience that this may have caused.

### **Membership Renewals**

Please note, to avoid CPS Benefits being suspended by the system if memberships move past the expiry date, please pay BEFORE the expiry date is reached. This is now an automatic function of the new National CPS IT system and not managed by your local squadron. As your renewal date approaches, the new IT system will automatically send out renewal notices at 45/30/15 days before the expiry of the membership and on the day of expiry. If you do not have an email address your

renewal notices will be sent out via Canada Post. If you have issues renewing please contact your Membership Officer, Glen Carruthers at 905-929-8127 or email at [g.carruthers@rogers.com](mailto:g.carruthers@rogers.com)
