

**District Commander Report  
Year end  
Western Ontario District  
April 28/2024**

Good Morning everyone and welcome.

Cps ecp National Rep Joe Gatfield, USPS DC Chet Dunbar, AP and your wife P/C Natalie Dunbar, AP, District executive officer and P/D/C Bill Stano, JN and P/C Rose Stano, AP, District Bridge, members and guests.

I would like to thank Joe Gatfield for providing this incredible location to host our annual AGM. This certainly sets the bar high...

Secondly a big thank you to all of you for attending today and being a part of this.

We appreciate you giving your time to spend the day with us.

This is my last year as DC. Although this feels very somber, I am so grateful to have been part of such a magical team of talented individuals. If not for my District team, the lug nuts would have surely come loose long ago. It's because of you that this District remains a leader in CPS. Our new tag line and logo has arrived and it's impressive. Over the next few months an advertising campaign will unfold as it's unveiled to the general public. Change is in the air. 2 committees are busy with ideas of restructuring both squadrons and districts and Cps as a whole. Selling courses is still paramount to our survival as well as stabilizing our membership. The many levels of CPS are all working toward this focus more than ever.

We capped off our year with hosting a successful National AGM in Windsor. Many thanks have to go to Tracie B and the army of volunteers who made it happen. Succession planning will continue to be a priority. We currently have the same issues in our squadrons as we do at the district level. Possible thoughts of restructuring our District could be on the horizon. We need to be pro active to make any sort of transition seamless. I'll be leaving you in the most capable hands of Joe Gatfield. A position that he is all too familiar with. I will still be in the wings as I am a Director for another two years and still sit on the National Planning Committee. I hope to be as much help as possible to my squadron and District over the coming years.

Respectfully Submitted

Scott Homan, S  
District Commander  
Western Ontario District
