Western Ontario District
April 21, 2024

**Commander Scott Homan, Western Ontario District Officers, Squadron Commanders,
Members and Guests**

The 2023-24 District year has been a very busy year, but a very rewarding year. This year we changed over to using Teams for the district council meetings. Two of the meetings were learning sessions, where the meetings were in person and an online at the same time. Practice will improve the sessions. Thank you, to London, Sarina and Windsor for hosting District Council meetings. The District Landezvous was a success. It provided the opportunity for everyone to attend at minimal cost, and at the same time a great location. Thank you, Joe for hosting the Landezvous at your place in Rondeau.

I attended many of the Goderich Squadron meetings, and events this last year as the District Representative. Goderich always has a special meaning for Dalene and I. Thank you, Cdr Shelley, and your Team.

Drew Climie managed the district ebasts, and will provide further details

The National Annual General Meeting was held this last year in October, in Windsor. After six years of hard work, numerous meetings, and perseverance by the conference team, starting with the promotion and sale of Conference Regalia in Victoria in 2019 to October 2023, it was a great success. Many complements from all the attendees, especially since it was held on the water front with great view of the whole area. The attendees had a change to participate in the many meetings, bid on a room full of prizes, great meals, and tours of the area and met our special guests the Canadian Coast Guard and tour their vessel, the Bouy Tender, Caribous Island. Darlene and I have attended many National AGM's. This one will always have a special meaning for us. I am sure Western Ontario has set the standard high for the future National Conferences.

Thank you, D/C Scott and my fellow District Council members and the Vision 2023 Team for a year filled with many great memories.

Respectfully Submitted

Bob Parke
