

Comm Officer Report To Western Ontario District

April 28, 2024

Commander Homan, Guests, Fellow Members:

I would like to thank the membership for their continued support of my work as Communications Officer and the senior executive for their ideas and encouragement. I would like to especially thank the District Secretary for her help and very hard work and the Administration Officer for his guidance and support. I have attended District meetings and I have continued to maintain the District Website. A number of presentations were made regarding our MS-Teams meeting software. These presentations are posted on the District website. I look forward in working with the new officers and old hands in our renewed Bridge.

With Respect,

Peter Fuhry SN

WOD Communications Officer
