

Western Ontario District A G M

Sunday April 28, 2024

The 2023 -24 district year was eventful for myself and Alice. On April 26th we attended the Tillsonburg squadron A G M as representatives of our district commander.

We attended the USPS D9 spring conference in Bay City Mi. on April 28,29 and 30th. For the hospitality we prepared and served what we call Canadian back bacon on a bun and Canadian beer.

This was the first occasion where all the squadrons and us did the hospitality activity all in one room, supplied by their district.

We still had the food supply costs but no separate room rental so it was a great saving for all.

On June 10th we booked and almost attended the district landezvous but a family funeral took precedent.

In October Alice and I attended and worked at the national conference on October 17th to the 22nd. We helped with selling regalia, managing the prize room, attending the reception desk and decorating the ball rooms with flowers and lights.

We rounded out the year with a district meeting on line November 5th and an inperson meeting at Sarnia yacht club with lunch on March 10th 2024.

Respectfully submitted

Nick Baratta USPS D9 Liaison
