HAPPY 75TH ANNIVERSARY HAMILTON SQUADRON

**On June 24, 2024 Hamilton Power and Sail Squadron
celebrates our 75th anniversary**

IT TAKES VOLUNTEERS TO KEEP THE SQUADRON RUNNING

One of the duties of the Commander is to submit Merit Marks for the year 2023. If you are wondering what a Merit Mark is, it is presented to any member that volunteers 20+ hours in a calendar year. Only one Merit Mark is issued by the Chief Commander per year. After 20 Merit Marks the member becomes a "Life Member", no dues.

Many squadrons across Canada have shut down due to the lack of members or lack of instructors. Hamilton squadron is also at a crossroad; we need new blood. The organization is changing, technology is changing and some of us older volunteers find it challenging to adapt. We now have a new name CanBoat NautiSavoir - they call it branding for promotional purposes. We also have more online courses, self study or virtual, which require instructors to be more computer savvy. If you can help with courses, contact the Education Department at ronwarby46@gmail.com.

Every organization needs a social aspect and our squadron has been lacking an Entertainment position for a few years. The pandemic didn't help but now we should get back to some social get togethers.

We also need someone for Public Relations to help us make contact with potential students.

If you are interested in helping the squadron go forward, contact Commander Murray mrthompson15@gmail.com or Education Department at ronwarby46@gmail.com.
